Helping in the fight against cancer

**Sideboard Restaurant in the Old Danville Hotel
411 Hartz Avenue, Danville**

**Sideboard will donate 10% of your final bill
to the American Cancer Society's Relay For Life of Livermore**

Sideboard feels like your country aunt's kitchen. Its unpretentious "sophisticated comfort food" is soul-satisfying. The menu changes often, but look for the levain crumb-battered soft-shell crab and apple wood-smoked bacon on a soft bun, or shrimp ceviche on miniature tostadas with avocado-mango salsa and Mexican sour cream.

For more information about Sideboard, see <http://www.danvilleareachamber.com/business-directory/sideboard-neighborhood-coffeehouse-and-kitchen>, or call proprietors Erin and Ford Andrews at (925) 765-3667.
